Subject: **VACATION RESOLUTIONS**

RECOMMENDATION:

The Department of Transportation (Department) recommends the California Transportation Commission (Commission) approve Vacation Resolution A-863.

ISSUE:

It has been determined that the facility in the vacation resolution summarized below is not essential to the proper functioning of the State Highway System and may be disposed of by vacation. Upon the recording of the approved vacation resolution in the county where the facility is located, the public's right of use of the facility will be abandoned. Any exceptions or unusual circumstances are described in the individual recommendation.

RESOLUTION:

Resolution No. A-863 – 2-Sha-44-PM 53.6 (KP 86.26) (Request No. 10768) - 1 Segment
Vacates right of way in the county of Shasta, about 4.3 miles northeasterly of the junction of Route 44 and Route 89, consisting of right of way no longer needed for State highway purposes. Sections 892, 8313, and 8330.5 of the Streets and Highways Code concern vacations within the jurisdiction of local agencies and are not applicable to this vacation. The right of way being vacated lies entirely within federally owned lands, and is under the jurisdiction of the United States Department of Agriculture and does not cut off all access of adjoining property to public highways.
